

What is the Legacy Circle?

The Legacy Circle was created exclusively to recognize and honor donors who have made an estate gift to St. Peter's Hospital Foundation through a bequest, trust or other life income gift. Gifts may vary, but the spirit is the same.

As a member of the Legacy Circle, you demonstrate your support of St. Peter's Hospital, helping to sustain our facilities, our technological advancements, and our services and programs for future generations.

THE LEGACY CIRCLE

Making a lasting difference
for future generations.

St Peter's Hospital
Foundation

ST PETER'S HEALTH PARTNERS

Why should I join?

The key to our continued success depends on the support of past and present members of the Legacy Circle, those individuals whose vision and generosity have made possible the high quality acute care that St. Peter's Hospital so proudly provides.

Your planned gift today will help us continue our mission to serve the needs of our community, current and future, with care and compassion. We are grateful for these gifts as they are very much purposeful gifts from the heart and a reflection of the highest personal values.

How can I become a member?

You can join the Legacy Circle simply by making an estate gift to St. Peter's Hospital Foundation, and confirming your intention in writing. If you have already honored St. Peter's with an estate gift, we hope you will let us know by completing the accompanying Acceptance of Membership form, or by contacting Kathie Ziobrowski, Director of Legacy Giving, at (518) 482-4433 or by email Kathleen.Ziobrowski@sphp.com.

Which estate gift option is best for me?

You can choose any one of the following estate giving opportunities:

- Making a bequest in your will
- Establishing a Charitable Gift Annuity or Charitable Remainder Trust that names St. Peter's Hospital Foundation as a beneficiary
- Making St. Peter's Hospital Foundation a beneficiary of a life insurance policy, IRA, pension plan or bank account
- Naming St. Peter's Hospital Foundation as an income beneficiary of a Charitable Lead Trust
- Donating real estate or other property through your estate

What are the benefits of membership?

The Legacy Circle gives you the opportunity to enjoy the company of others who, like yourself, care about leaving a legacy for the people in our community for decades and generations to come.

Members of the Legacy Circle also enjoy:

- A commemorative member recognition gift
- An invitation to our annual event hosted by the Chief Executive Officer and the Board of Directors of St. Peter's Hospital Foundation where you will be personally recognized

We welcome your interest in membership and encourage you to contact us for further information at (518) 482-4433, no obligation of course. We also encourage you to talk with your professional financial/tax professional to determine which option is best for you.

Gifts may vary, but the spirit is the same.
